COLLEGE CODE 02235

ADARSH JUNIOR COLLEGE
A REVOLUTIONARY WAY TO EDUCATE...
VISAKHAPATNAM: 81436 56001, 81436 56002

ADARSH KEY FEATURES

Teaching by highly dedicated and well experienced Faculty at leading Corporate Colleges across the state.

Study hours conducted under the supervision of SENIOR LECTURERS

The Process of sending the results of the exams held each week directly to their parents.

Air spacious hostel rooms and Delicious dining facilities. Hygienic A/C Class Rooms

Each Section consists of only 40 Students

Designed a New Curriculum for complete understanding of each subject

Training (Teaching) in a way that reduces stress in students and builds self-confidence in them

Special Attention on Physics and Chemistry

Designed best Academic Program and Examination System to ensure Success in IIT-JEE & NEET

Personal attention towards each student. Parent - Teacher interaction will be held every 45 days.

JEE MAINS

Joint Entrance Examination - Main (JEE-Main), formerly All India Engineering Entrance Examination (AIEEE), is an all India Standardised computer based test for admission to various technical undergraduate programs in engineering, architecture, and planning across India. The exam is conducted by the National Testing Agency (NTA). Admission for B.Tech, B.Arch programs in the premier technical institutes such as the National Institutes of Technology and Indian Institutes of Information Technology are based on the rank secured in the JEE-Main.

JEE (Main)

Joint Entrance Examination

EXAM STRUCTURE

JEE Main - The JEE Main exam will be conducted two times two papers such as paper 1 (B.E/B.Tech) and Paper 2 (B.Arch or B.Plan). Both the papers will be held in online computer-based mode except for the Drawing test for B.Arch. For paper 1, each subject consists of 20 Multiple Choice Questions (MCQs) and 5 Numerical Value Questions, Candidates are advised to check the JEE Main exam pattern clearly before the commencement of the examination as it helps them to know about the mode of JEE Mains exam, the number of sections & questions, questions type, marking scheme, etc. The candidates will be awarded four marks for every correct answer while there will be a negative marking of one fourth mark for every wrong answer.

JEE ADVANCED

JEE ADVANCED

Joint Entrance Examination - Advanced (JEE-Advanced), formerly the Indian Institutes of Technology-Joint Entrance Examination (IIT-JEE), is an academic examination held annually in India. It is organized by one of the seven "old" IITs (IIT Roorkee, IIT Kharagpur, IIT Delhi, IIT Kanpur, IIT Bombay, IIT Madras, and IIT Guwahati) under the guidance of the Joint Admission Board (JAB). It is the sole prerequisite for admission to the Indian Institutes of Technology. The JEE-Advanced score is also used as possible basis for admission by Indian applicants to non-Indian universities such as the University of Cambridge and National University of Singapore. The examination is organized each year by one of the IITs, on a round-robin rotation pattern.

In 2013, the examination initially called the IIT-JEE was renamed to JEE (Advanced), and the AIEEE was renamed JEE (Main). From 2017, IIT began conducting the JEE-Advanced internationally to allow the admission of foreign students.

EXAM PATTERN

The IIT JEE Advanced will have two papers in Computer-Based Test (CBT) mode. Paper-1 will be conducted from 9:00 am to 12:00 pm while paper-2 will be conducted from 2:30 pm to 5:30 pm. Candidates have to register themselves online for the computer-based entrance test. The two papers, based on a predefined JEE Advanced syllabus released by the conducting authorities, are mandatory for all the aspirants.

Admissions to the IITs will be done through the Joint Seat Allocation Authority (JoSAA) counselling based on ranks obtained by candidates in JEE Advanced. The top 2.5 lakh qualified candidates of JEE Main will only be allowed to apply for JEE Advanced for admission to the IITs (Indian Institutes of Technology) in India. However, the total number of candidates may be a bit higher than 2.5 because of 'tied' ranks/scores in each category.

PARTICULARS	DETAILS
Mode of Exam	CBT Mode (Computer Based Test)
Type of Questions	Objective type (Multiple Choice Questions)
Sections	Paper 1 : Physics, Chemistry, Mathematics Paper 2 : Physics, Chemistry, Mathematics
Duration of Examination	Paper 1 : 3 hours (180 minutes) Paper 2 : 3 hours (180 minutes)
Marking Scheme	There will be negative marking in the paper and will vary for different papers
Medium of Language	English and Hindi

NEET - NATIONAL ELIGIBILITY CUM ENTRANCE TEST

The "National Eligibility cum Entrance Test" (Undergraduate) or NEET (UG), formerly the All India Pre-Medical Test (AIPMT), is an all India pre-medical entrance test for students who wish to pursue undergraduate medical (MBBS), dental (BDS) and AYUSH (BAMS, BUMS, BHMS, etc.) courses in government and private institutions in India and also, for those intending to pursue primary medical qualification abroad.

The exam is conducted by National Testing Agency (NTA), which provides the results to the Directorate General of Health Services under Ministry of Health and Family Welfare and State Counselling Authorities for seat allocation.

NEET-UG replaced the All India Pre Medical Test (AIPMT) and many other pre-medical exams conducted by states and various medical colleges. NEET-UG is a single entrance test for admissions to more than 1,09,095 MBBS and BDS seats across India.

EXAM PATTERN

NTA has released the revised exam pattern for NEET (UG) along with the detailed previous year notification.

INSTRUCTIONS

As per the new exam pattern, there will be 2 sections in each subject consisting of 35 questions in Section A and 15 questions in Section B (out of which 5 are optional).

There will be 200 Multiple Choice Questions (out of which 20 are optional). Each correct question carries 4 marks.

NEET (UG) - 2022 is a Pen & Paper-based Test, to be answered on the specially designed machine gradable OMR sheet using Ball Point Pen

There will be a negative marking of minus one (-1) mark for each incorrect answer.

NEET EXAM PATTERN

Sr.No.	Subjects	Sections	No. of questions	Marks	Duration of exam
1.	Physics	Section A Section B	35 10	140 40	3 Hours (180 Mins)
2.	Chemistry	Section A Section B	35 10	140 40	
3.	Botany	Section A Section B	35 10	140 40	
4.	Zoology	Section A Section B	35 10	140 40	
Total		200 (20 Optional)		720
